

# SoulSpa® Workshops

## Collage Workshop Registration

### Experience the Magic of Collage

Collage-making is a fun way of contemplating who we are and of creating a visual representation of who we want to become. You are invited to dive deep into the fullness of your soul and allow information from this depth to rise up through images. The collage you create can be considered a visual snapshot of your psyche or a magic tool to align you with your wishes.

Consider a collage workshop as a precious and individual gift — lovely gift certificates available
